Celebrating 2018 and welcoming 2019

Annual Day is a culmination of year-long efforts by the students and mentors alike. A fun time to get together, display hidden talents and recognize the achievements of scholars in the academic year.

2018 annual day was held on **9th December 2018**, at Rotary Hall, Malleshwaram. Dr. VijayKumar Hulikal,

President - Rotary West & MD-BioOrganics graced the occasion with his presence and enchanting talk. There was a plethora of fine performances from students - it was a treat to watch them perform! Scholars with outstanding achievements were awarded trophies and certificates. The year ended on a high note.

IIM-Bengaluru Visit - 27th January 2019

The year 2019 started with a customary visit to one of the premier learning institutions and interaction with the brightest minds there. Vikasana, the social service wing of IIMB had everything setup for the day trip. Sessions included introduction to film-making by a young director and several other talks from graduates from various backgrounds.

After a delicious lunch at cafeteria, Pragati students had fun along with Vikasana team playing pictionary, singing melodious tunes and also some popular dance numbers. IIMB trip never ends without a tour of campus. It's so huge there is always a part of it you haven't seen before.

2019 Selections - 30 June 2019

Pragati Family is now bigger and stronger than ever before with 136 active scholars and atleast 20 active mentors and volunteers.

The selections of 2019 saw more than 150 applicants. They were carefully shortlisted and nearly 100 were invited to attend scholarship test. The tests were designed as per students' grade level with emphasis given to understanding of concepts and general knowledge.

Students who cleared this round had a 1-1 with mentors along with their parents to review financial situation. At the end, about 25 students were inducted into Pragati group who will now get a bagful of experiences to enrich their lives in the coming years.

Visit to HAL museum - 15 September 2019

This was a day when the students' spirits literally soared high in the sky! The prestigious HAL museum was visited by nearly 120 Pragati scholars.

The learning started with an informative video capturing different achievements of HAL and milestones in Indian aerospace history. Students soaked up the knowledge as they passed by several halls of the museum - these had an alluring flow of pictures, models and several life-size aircraft models. The excursion ended with lunch and some fun activities.

Career talk for commerce students - 3 November 2019

A dedicated event for students in commerce stream was long overdue. It was a perfect fit for this event when Mr.Venkataramani, a well known Chartered Accountant came over and addressed students gathered at Sandeepana School.

Mr. Venkat was very passionate in his talk and touched many aspects - including how to explore to find one's interest, setting an aim and working towards it. Students also received a lot of information on different career options. All-in-all it was an extremely useful and inspirational talk!
